NOTE: All tuition is due the 1st dance class of the month. If you pay after the 15th of the following month, a late fee may be added to your tuition.

Over the 10-month dance year the class days per month average out to 4 per month. Tuition is based on the average and therefore is not decreased for short months nor increased for 5-week months. Tuition is not reduced for missed classes unless the absence is prolonged, and the bookkeeper is notified. Missed classes can be made up in any age-appropriate class.

All classes offer a free trial class to help dancers find their perfect class/teacher match.
