DRESS REHEARSALS:

Dress rehearsal is scheduled. It moves fast. Please arrive 15 minutes early. Dancers will run through their dance on stage as if it were recital day. Be sure and grab your shoes during the last week of classes, so you have them with you for rehearsal. There are no dance classes scheduled for rehearsal week (unless set up by teacher). Dress Rehearsal means "show" practice, so please be in tights, costume, make up and have your correct shoes. There is no "Opening" practice at Dress Rehearsal. There is "Finale" practice at 7:00 on Dress Rehearsal day.

RECITAL:

Please arrive 30 minutes before the show starts in costume, accessories, tights, make-up and your dance shoes! "Life is a Highway" opens each show. **Dancers only need to be in the opening of the shows they have other dances in.** "Life is a Highway" dancers should wear any cowboy or cowgirl attire with cowboy hats, or any country western style clothing. Dancers check in at the school entrance to the dressing room. No parents in dressing rooms except volunteers. Dancers are not allowed in the theater during recital performances except for dancers in the opening that don't dance on stage again until after intermission. Parents may pick those dancers up after opening so they can watch the first half of the show with you. Dancers need to return to the dressing room before the end of intermission. Always be sure your dancer has checked in or out of the changing room so we can keep track of ALL of our dancers!
